Social Capital is a social, fast growing and innovative company with several different brands. Our dream: to create a paid and fun job for everyone with a distance to the labourmarket. Hereby we act according our five core values:

- 1) Rule 1: if you are doing what you really like, the rest will come naturally.
- 2) We primarily act socially, we listen and anticipate in the needs and wants of all our employees.
- 3) We stand for development and we offer different growth opportunities within the organization.
- 4) Connecting works, we have a 'together we can'- attitude.
- 5) We aim to be as sustainable as possible for a better world.

What do we have to offer

- A zero hours contract for a year!
- The opportunity to be flexible with your working hours.
- Personal development by attending our different hospitality trainings.
- The chance to make a difference in the current labour market.
- Team activities such as POOL-parties and get together drinks.
- 25% discount on all brands of Social Capital.

Social Capital consists out of different brands, such as **Happy Tosti**, **Juni Lekkernijen**, **Lekker Brood** and **De Prael Amsterdam**. These brands are active in different cities on the most unique locations.

We are a social organisation who strives to be inclusive, which means that we work a lot with people with a distance from the labour market. This makes our work meaningful but it also asks for empathy and adaptability.
